COURSES OFFERED:

TOEIC Preparatory	TOEIC Intensive
The TOEIC Preparatory course is aimed at students who planned to take the TOEIC Test but lack sufficient understanding of its format and content.	The TOEIC Intensive course is designed for students who are preparing to take the TOEIC Test, already have a basic understanding of it, and wish to focus on learning strategies and gaining additional practice.
4 man to man 4 GCs	4 man to man 4 GCs

	CLASS	TOEIC PREPARATORY	TOEIC INTENSIVE
1:1	TOEIC Listening	Our TOEIC Listening Class is meticulously designed to enhance students' ability to understand spoken English in various business and everyday contexts. This course focuses on developing listening skills through a series of structured exercises, practice tests, and interactive lessons.*Prep: Can have 2 listening classes	
	TOEIC Reading	Our TOEIC Reading Class is designed to elevate students' reading comprehension skills, essential for excelling in the TOEIC exam. This course focuses on understanding and analyzing a variety of written texts, including articles, reports, and correspondence typical in business contexts.*Prep: Can have 2 Reading classes	
	TOEIC Writing	Our TOEIC Writing Class sharpens students' skills to craft clear, structured responses, essential for excelling in the TOEIC writing section.	These are not required for Intensive students but may be swapped with Diagnostic Test and Review 1 and 2.
	TOEIC Speaking	Our TOEIC Speaking Class enhances oral communication skills, focusing on clear, confident, and professional articulation to excel in the speaking section.	
	Diagnostic Test and review 1 and 2	Diagnostic test and review classes are designed for students who have ample knowledge of the TOEIC test. Thus we want Preparatory students to build their foundation English for them to get a high score in the TOEIC test	Our TOEIC Diagnostic Test and Review Class offers realistic mock tests, helping students practice under exam conditions, identify strengths, and address areas for improvement.

GC GROUP CLASS	TOEIC LC Techniques and Strategies	For Preparatory students, a strong foundation is key. The TOEIC exam demands a deep understanding of the English Language, which is why our preparatory classes are balanced with ESL Group classes. This approach helps students scaffold their language skills, building a solid base for future success.	Our TOEIC Listening Techniques class equips students with essential skills to excel in the listening section, focusing on strategies like note-taking, identifying key information, and time management.
	TOEIC RC Techniques and Strategies	Possible Group Classes for Preparatory Students (4 GCs)	Our TOEIC Reading Techniques class helps students excel in the reading section through strategies like skimming, scanning, understanding text structures, and effective time management.
	TOEIC Vocabulary	Pronunciation: Helps students become familiar with various pronunciation features of the English language. Grammar: Boosts students' knowledge, particularly for parts 5 and 6 of the exam.	Our TOEIC Vocabulary Class builds a strong vocabulary foundation, covering key topics and contexts essential for success in all TOEIC exam sections.
	TOEIC Grammar	Conversation: Familiarizes students with conversational features of the language, essential for Part 3 and 4 of the exam. Discussion: Encourages students to express opinions and practice inferencing—a crucial skill for the TOEIC exam. Vocabulary: Builds the necessary vocabulary for the exam.	Our TOEIC Grammar Class strengthens mastery of essential grammar rules and structures, ensuring accurate application in both written and spoken contexts for TOEIC success.

The **TOEIC Diagnostic Test and Review class** provides realistic mock tests and detailed feedback, helping students identify strengths and areas for improvement. It focuses on applying strategies to enhance scores and prepare for the actual exam.

The **TOEIC Reading and Listening Comprehension Techniques class** teaches essential strategies like skimming, scanning, and time management to excel in the reading and listening sections. It emphasizes a strategic approach to improving overall comprehension.
